Price Information Guide

FOB Price - means the price in the Hong Kong port (all local HK charges and expenses connected with the cargo delivery included). Using this delivery terms, Flame Group delivers cargo to customer's forwarder in the airport or sea port of Hong Kong.

B2B Price in EU - means the price in the Europe in the case of the purchasing from the Flame Group's warehouse in the Czech Republic. This price is available for the European retailers, distributors, and sales agents but not for the end customers.

B2B Price in EU includes the warranty and post-service obligations of Flame Group.

All price proposals are subject to discussion in the case of the large order.

The specifications and colors of the devices/materials can be customized according to the customer's request.
